

Hey guys.

I wanted to send you a quick note as we just finalized our details with The Cincinnati Reds. We are excited about their support in bringing The Rusty Ball idea to the ball park which provides another way we can support our local charities.

We are a little tight in terms of being able to promote this so please help us get the word out to anyone that may be interested in attending the game on Friday May 28th, 2010.

As the info below indicates, we are able to offer discount tickets through the link below...in addition, \$5 from each ticket will go to the organization that you select on the ticketing page. Select one of your favorite organizations in support of their mission (These are the same organizations that took part in The Rusty Ball last November) or if you would like to provide benefit to all of the organizations by helping us offset costs for this year's Rusty Ball, please select The Spirit Of Cincinnati as your beneficiary of choice when buying your Reds tickets. (The Spirit of Cincinnati is the non-profit organization that The Rusty Griswolds started which enables us to throw The Rusty Ball.)

In addition, we are using this event to kick off our promotion for The Rusty Ball 2010 which will be held Saturday November 20th, 2010 at the Duke Energy Convention Center. SAVE THE DATE!

As always, thank you for your continued support as we do what we can to make the world we live in a little bit better and a little more fun.

In every crowd we see a community!
