

St. Catherine's After School Music Lessons Guitar and Piano/Keyboard

We would like to take this opportunity to announce our annual registration for music lessons. The program, under the direction of Gary Devoto & Associates, is scheduled to begin in September. Lessons are based on quarters. 1st quarter includes September – November. Lesson fee is \$16.00 per lesson x number of lessons available per quarter. Available lessons are considered lessons when school is in session. Example: If there are 14 available lessons the fee would be \$224. There is a minimum three-month commitment.

Individual Piano/Keyboard Lessons: (An electronic keyboard will be used if there is no piano available) Lessons are conducted once each week for 30 minutes for 1st grade thru 8th grade.

Individual Guitar Lessons: Students in guitar lessons will need to bring their own instrument to lessons each week. We recommend keyboard/piano for students younger than 3rd grade. Lessons are conducted once each week for 30 minutes for 3rd grade thru 8th grade.

Material Fee \$20.00 - Includes music book, sheet music, other various materials.

A 10% discount will be offered to families with two or more children enrolled in the program.
