

Cafeteria

We always need volunteers, and we need those volunteers to come faithfully and on time! If you have not already done so, please volunteer to work one day a month. You can call Judy Leick at 781-3890.

The children really enjoy seeing parents, grandparents, and friends in the cafeteria. Certainly, the help is needed to serve meals efficiently. It takes many hands to serve over 150 people each day in the time available and we count on your generosity to make it work.

Each family pays \$90 for the cafeteria fee at the beginning of the school year. Whenever you work or a friend or relative works for your family \$10 is deducted from the next year's fees. Whenever a volunteer doesn't show up or doesn't call in time, there is a mad scramble to get a replacement. If a replacement volunteer can't be found on short notice, the other volunteers often become so overburdened that they don't want to return. Making the cafeteria work with volunteers can be challenging, yet volunteers add a special touch. Volunteering in the cafeteria is a great way for new parents to meet other parents and to meet the children. Please consider becoming involved in our cafeteria.
