

Wanted!

Volunteers - Moms, Dads, Grandparents, etc.

We will again this year be creating a database for Parents, Grandparents, friends, etc. who are interested in helping out in various ways. Whether you are a stay-at-home parent, grandparent or a full time working parent, **we have a job for you!** When you fill out the form below, the information will be kept on file and as teachers need help with various tasks throughout the year, they will contact me and I will call someone on the list that is interested in that type of job. This is not a weekly or monthly commitment. It is generally for when the teachers need some extra hands or ears to help with the children. Some examples are: Listening to students read, Math flash cards, Timed tests, Bulletin Board decorators, Computer Aides, or even do things in the evening at home for Teachers. These are just a few of the things volunteers can do to help our teachers and students. Let's all work together to make this the best year yet!
