Dear Parent,

It is time again for school and CCD registration. Handling all registration in the parish office, which we began last year, went so well we are going to continue it. You will find enclosed the registration form; please return it completed by 25 February.

I would like to make a special appeal to those parents with a child or children in the public high school. Please do not let her or his formal faith education end with the eighth grade. Last year we revived our high school CCD program, and I believe it is stronger. We are using the new diocesan textbook, which provides the intellectual content needed to learn more about the faith, and are offering opportunities at different times of the year for social outreach, to reinforce what they are learning by putting their faith into action.

As always, if there is anything I or any of the staff can do to help you as you try to raise in your child or children in the faith, please let me know. I renew my promise to you that we will do everything we can to teach your child the beauty, benefits and responsibilities of our Catholic faith.

Sincerely,

Fr. Stef
