

GO COLTS!

Next weekend we begin our annual Basketball Tournament. To show your spirit, the Boosters are asking that every child (or family) make a pennant to help decorate the gym. Use this paper as a template for the pennant. After cutting it out, transfer it to white, green, or yellow construction paper or felt and then decorate it with words or designs to cheer on the Colts. After decorating your pennant, cut it out and bring it to school on Monday. The pennants will be hung around the gym to show our school spirit.

**Thanks for your help in supporting our teams.
Good luck to everyone in the tournament.**
