

Yearbook Photo Sharing

Dear St. Catherine School Families,

We will again be designing our school yearbook through Lifetouch. As always, we need any many pictures of our school events and student activities as students, parents and staff can provide to us to make the yearbook a success. This year, Lifetouch is providing us with our own direct site to upload pictures for the yearbook. **Below are instructions to connect to and add to this site for our yearbook.**

You may also continue to add photos through our Google Drive Shared yearbook folder for 22-23 (please name the photos or folder for the event, ex: 4thHalloweenParty). Or you may attach photos and email to the yearbook account. Be sure to put the event/grade into the subject of your email. The Links and email are below.

The option to purchase the yearbook will be available to you soon. Please keep an eye out for your child(ren) to bring home the flyer with information online to purchase a yearbook for them or you may send in the paper form from the flyer.

Thank you for your help in making the yearbook a success for all of our students! Please let me know if you have any questions.
