

## Dismissal Procedures 2022-2023

To continue to have a safe and effective dismissal process, we are going to continue our Zone Dismissal procedures for the 2022-2023 school year. Please read the following carefully, and if anyone else will be picking up your child after school, please communicate this information to them as well. We will have faculty and staff members in the parking lot at dismissal time to help facilitate this process.

When you arrive for pick up, please park in your designated zone, as listed on the next page.

The **GREEN ZONE** is in the upper parking lot on the side of the school building toward the back.

The **GOLD ZONE** is in the upper parking lot on the side of the school building toward the front.

The **BLUE ZONE** is in the lower lot.

The **RED ZONE** is in the upper parking lot in front of the school.

Each family has been assigned an area of the parking lot to park in at dismissal time. We ask that you only park in your designated zone to allow students to find your car quickly and easily. Once you have parked, we ask that you stay in your vehicle. If needed, once you see your child, you may step out of your car so they can see you. Please do not walk towards the students dismissing, or towards the doors.

We will dismiss students by calling a zone color over our intercom system. Once a zone has been called, those students should walk out their designated doors and proceed immediately to their car. All students in Green and Gold will dismiss out the glass doors in the primary grades hallway. Students in the Blue Zone will dismiss out the exterior door of their classroom or out the Parish Center doors. All students in the Red Zone will dismiss out the main front doors of school.

Once all students are in their cars from a particular zone, that zone will be dismissed from the parking lot. **Please do not pull out of your parking spot until directed to do so by a St. Catherine faculty or staff member. We want to keep everyone safe!**

After all car riders have been picked up, walkers will be dismissed out the main front doors of school. Then, students who are going to the After School Program will be dismissed to the ASP teachers.

## FRIENDLY FRIDAY

We invite you to feel free to talk with fellow parents and parishioners during the school pick-up time on Fridays.
