

Saint Catherine Dress Code
Why do we have a dress code?

First and foremost, as a Catholic school, the dress code should reflect values such as virtue and modesty. In addition to this, uniforms give children a sense of pride in their education, which is exemplified by their respectful attitude toward their schoolwork, their teachers, fellow students and the facilities themselves. It has been proven in various studies that schools that employ uniforms have higher student achievement and fewer discipline problems. By putting on a uniform, it is a psychological cue for the students to ready themselves for learning. Uniforms "even out" any disparity in students in terms of economic status or ethnic differences. Uniforms, not only save parents money, but remove the whole "what to wear" headache when getting the kids up for school in the morning.

Uniforms do not prevent children from expressing their individuality, but refocus kids to expressing their individuality through their essays, creative writing, artwork, music, etc., which is a more beneficial way of teaching them how to express themselves.

When purchasing clothes for your child, make sure they are “uniform” style and free of any logos.

Physical Education Uniform

All students should wear the new navy blue gym shorts/sweatpants & the new gray t-shirt. They should wear it to school and all day so they do not have to change for gym class. The new gym shorts can be worn all year (at the parents' discretion), however, please note that outdoor recess will still occur in the winter months. Students should not wear jewelry during gym class.

Gym shoes that support the foot and fasten (tie or velcro) must be worn during class.
Socks should be uniform colors and must be seen above the entire shoe.

Out of Uniform Days

While out of uniform days are meant to give students a break from wearing their school uniforms, students are still expected to wear clothing that is appropriate for a Catholic School. If for any reason you are not sure about whether a piece of clothing is appropriate, do not wear it.

- Shorts (*1st day of school - 10/31 & 4/1- the last day of school*) and skirts should be no more than 3" above knee.
- No open toed shoes, spaghetti straps, tank tops, or inappropriate logos/writing may be worn.

During cold weather the students will still have outdoor recess unless the temperature goes below 20 degrees. Students are expected to bring appropriate attire for the weather.

Homeroom teachers are required to check students for dress code infractions each morning. Students who do not follow dress code will be given an infraction (for Responsibility) and sent to the office to call parents (to bring up appropriate clothes). If parents are unable to come to school, students will be given clothes from the uniform exchange to wear the remainder of the school day.

Students who have multiple dress code infractions will lose out-of-uniform day privileges. Please sign below confirming you and your child/children have read the dress code.
